Dear Ms. Murthy:

Sheela

Congratulations on being chosen by the World Trade Center Institute to win a Maryland 2008 International Business Leadership Award. I regret that I am unable to be with you on March 12th for the celebration at the Visionary Art Museum James Rouse Center.

You can be very proud of your accomplishments and the positive impact you have on our state, nation and the world. You service the world community, and Maryland is proud that you call our state home.

Best wishes.

Sincerely,

Benjamin L. Cardin
United States Senator
